ALL BIDDERS PLEASE READ

Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. **You must be satisfied.** Payment to be made upon receipt of merchandise. Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT.** Unlimited bids are executed at an advance of 5 per cent over the next highest bid.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Auction Sales Are Conducted In The Following Method:

1. Bids are entered in the order received.
2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. Bids you send in are the maximum you are willing to pay for the coin. We, as your agent, try to buy the coin as low as the next highest bid will allow.
3. Valuations placed in the auction catalog are either the Standard Catalog listings (for which we use the word "list"); or prices generally asked by dealers when the coin is in stock (for which we use the word "worth"); or prices generally realized at auctions (for which we use the word "brings").

We trust the above information will help you in securing coins in our auction sales.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. **You must be satisfied.**

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogues.

The coins will be on display the day of the sale at our offices and can be seen any day prior to the sale.

This is an excellent chance to stock up on this popular series. We note dealers have been advertising to buy them at higher and higher prices each month. This trend started early this year and now some some of the offers to buy are up over 50% in a period of about 6 to 7 months. They appear to offer investment possibilities since on most issues, only about 25,000 or less were struck and that over 14 years ago.

THE U. S. EARLY SILVER DOLLARS FROM 1794 TO 1804

By M. H. Bolender at \$10

(Just Check Your Bid Sheet)

The interesting history of the early Dollar coinage, the trials and problems, and the progress made.

Helpful tables giving distinguishing features.

Quick, easy, and positive identification of the one hundred and seventy known varieties.

Degrees of rarity based on actual records kept over 40 years.

Large de luxe volume, 9x12 inches, quality printed and finely bound in cloth, lettered in gold.

About eighty large pages of text, with much information on this long neglected series.

A valuation list printed in loose sheet form will be inserted and included with each copy. This will give the fair current prices of all varieties in the various conditions. These conditions will be explained in detail, so that collectors may know what a "fine" coin really is, and quality will be better understood in the study of the series.

Fully illustrated with 157 different obverse and reverses, on nine large pages of fine collotype plates.

The importance of correctly attributing your early Dollars cannot be taken lightly. First, I will pay full 1950 catalogue price for any and all dates before 1804. Secondly, there are a great number of rare varieties that are worth from two to three times catalogue price, so that by being informed you may quickly realize an extra profit that will more than pay the cost of your book.
